Sautéed spinach, mushrooms, fresh garlic in a cream sauce. The Rigatoni is stuffed with Ricotta and Feta cheese and we put a little Feta in the sauce "for style"???

UNCLE ALFREDO'S ALFREDO \$12.57
Affectionately known as "Big Uncle Al" he worked in a bank, like an accountant...or something, wore a bow tie, his recipe: start with real butter, minced garlic, 40% heavy cream (the good stuff) and seasoning's white pepper and finish with pecorino cheese, when it is perfectly fused, we add the farfalle, (bow tie pasta) as a remembrance of "big uncle al" he's not dead, livin' on an island, got fired after the bank got robbed???

LOBSTER RAVIOLI..... \$15.57
In spicy Cajun cream sauce, chunks of lobster, it's pink, its thick, it's spicy, oh baby!

FREAKIN' BIG CHEESE RAVIOLI \$13.97
It's not easy being cheesy. Just in case there's not e-nuff cheese in these puppies, we bake some motz on top
